

Cognitive Architectures for Robot Agents

Current Capabilities, Future Enhancements,
and Prospects for Collaborative Development

TransAIR Virtual Workshop
March 22nd-28th 2021

Dear Attendees,

In the following, we would like to provide a brief check-in list for the venue:

- ◆ You can watch all invited talks starting on Sunday March 21st (24 hrs before the venue opens) within the venue or, if you prefer, on the [website](#). Note that attending the live sessions requires entering the venue.
- ◆ To enter the venue navigate to the [landing page](#) and you will be guided through the process. Please use the same email address that you have registered with.
- ◆ Introduction for navigating in the venue:
 - ◆ Conference system introduction video: [here](#)
 - ◆ Conference system guide: [here](#)
- ◆ The workshop welcome information can be found [here](#)
- ◆ The workshop schedule can be found [here](#)
- ◆ Live Q&A sessions and panel discussions are taking place in the plenary room.
- ◆ We kindly ask attendees to enter the plenary room before the session starts.
- ◆ Additionally, the venue offers an exhibition room with virtual booths providing further information about the invited talks and speakers, a lobby and meeting rooms for networking as well as a media room for watching additional content about the workshop topic.

If you have any questions, please do not hesitate to contact us (contact@transair-bridge.org).

We look forward to an interesting event with lively discussions and exchanges.

**Best regards,
TransAIR Team**
